

FRESH HAND

LIQUID SCENTED HAND SOAP

FRESH HAND is a liquid hand wash soap containing a mixture of surfactants, and softeners to condition the skin, ensuring clean and protected hands. It is a neutral product and can be used repeatedly without drying effects on the skin.

FRESH HAND is suitable for restaurants, fast foods, hotels, bars, offices. It is a viscous liquid, pearly white, pleasantly scented.

FRESH HAND can be used with dispensers to avoid the hygienic handling of promiscuous soap.

INSTRUCTIONS FOR USE

Moisten your hands.
Put on your wet hands an adequate quantity of soap, rub your hands and rinse.
